

Crossing the KOSI Bay border

PLEASE : Once at the border.. you need to ensure you have ALL passports ready to be stamped on BOTH sides of the border.. SA and MOZAMBIQUE..

Please once stamped take a look at stamped pages of the passport.

Make sure you actually see the stamps and that are dated correctly .

All children under 18 to have ALL official letters and UN Abridged Birth certificates..

If you have pre-arranged a border transfer you are welcome, if border not too busy, to ask the SA officials if you may drive your car over to MOZ side and unload luggage directly onto the transfer vehicles, then only the driver need take your car back to SA side..and park and sign car in to lock up... it is 5 min walk back to border..

The border officials on MOZ side do get sticky about the amount of alcohol and meat brought over the border..

THUS please do not pack more than the suggested amount.

Wonderful local beers and all spirits can be bought in Mozambique, thus you will be supporting the local economy.

All foods are best packed into plastic crates as shopping plastic bags do not travel well on bumpy sand roads, it is also best done so as to avoid officials going through your whole shopping larder ☺

Plastic crates also ensure your food is both monkey and bush baby safe.. once on site ..

Courtney is available on her MOZ number.. SMS is best !!
